INVITATION MESSAGE

Dear Esteemed Colleagues and Friends,

Greetings from WCPD 2024!

We, the organizing committee of WCPD, are honored to extend a warm welcome to each of you to attend the 11th World Congress on Prevention of Diabetes and its Complications along with Diabetes Research & Solutions from 30th August, 2024 to 1st September, 2024 at The Westin Mumbai, Powai Lake, Mumbai, India.

This gathering aims to provide latest updates on prevention of diabetes and its complications amongst persons with both type 1 and type 2 diabetes. This conference will provide a unique opportunity for healthcare professionals from across the country to share the latest scientific advances in the field based on their expertise and experience and help to develop strategies for advancing our efforts to treat and prevent diabetes related complications. We would like to assure that you will definitely cherish the scientific feast that has been curated for you during the 2 days.

This conference will prove a great opportunity for innovative and new ideas to be heard and discussed. It will provide delegates with a perfect setting to exchange their research and best practice in prevention, education and treatment of diabetes related complications as part of the scientific program. The conference will enable us to advance towards our common goal of preventing and improving the quality of life for people living with diabetes and related disorders around the globe. It is our privilege to host so many experts in the field of endocrinology and diabetes research and best practices.

We are extending a warm welcome to each of you to attend the 11th World Congress on Prevention of Diabetes and its Complications at Mumbai!

Looking forward to seeing you *@Aamchi Mumbai!*

Regards,

Organizing Committee
